

Learn about health reform and Vermont's Exchange, Vermont Health Connect

Vermont Health Connect is a new health insurance marketplace, launching October 2013, designed to help you, your family or your small business find, compare and purchase health coverage. You're invited to a small business forum with Deputy Commissioner Lindsey Tucker and the Vermont Chamber of Commerce to learn more about upcoming health reforms.

The first portion of the forum will focus on what Vermont Health Connect means for small businesses in Vermont—who can get coverage through Vermont Health Connect, the choices that small business owners will have related to employee's coverage, tax credits available now and more. The second portion will be presented by the Vermont Chamber of Commerce.

Snacks will be provided.
